26	No Ref. Number	<i>D speciosum</i> var <i>speciosum</i> 'Bevan' x 'George's River Special' (Whole Plant (unflowered) - 15+ canes) -	SOLD	\$120.00
27		Should flower similar to S237/09 - out of the same flask. UNFLOWERED		
28	S240/09	<i>D speciosum</i> var <i>curvicaule</i> 'Palmerston' x self	2	\$195.00
29		These seedlings are producing some of the largest-caned variety <i>curvicaule</i> I have ever seen and consequently produce very large well presented flowers with that very good show bench potential. As a seedling this plant was placed third in the open Class of a ANOS (Qld) Kabi Group Spring Show. PICTURE OF FLOWERS AVAILABLE		
30	S061/05	<i>D speciosum</i> var <i>speciosum</i> 'Charlie' (small division - 4 canes)	SOLD	\$140.00
31		'Charlie' has the reputation of still being one of the best variety <i>speciosum</i> being benched. An oldie but a goodie!! PICTURE OF FLOWERS AVAILABLE		
32	S010/05	<i>D speciosum</i> var (<i>speciosum</i> 'Reflex' x <i>curvicaule</i> 'Outland') - 'Samford Ivory Star'	SOLD	\$295.00
33		This is the plant that won grand champion of an Orchid Species Spring Show. PICTURE OF FLOWERS AVAILABLE

35		As for S118/06 producing long sprays of heavy textured bench quality flowers off-white in colour. PICTURE OF FLOWERS AVAILABLE		
36	S255/09	<i>D speciosum</i> var <i>curvicaule</i> 'Dave's Moon #7'	SOLD	\$250.00
37		A superb quality variety <i>curvicaule</i> flower which is very close to 'Daylight Moon' itself. A must for all keen <i>Den speciosum</i> collectors. (Established in a 200mm pot) PICTURE OF FLOWERS AVAILABLE		
38	S152/07	<i>D speciosum</i> var <i>curvicaule</i> 'Magnifica' x self	SOLD	\$145.00
39		This selfing done by Ted Gregory produced extremely robust plants flowering in long sprays of typical heavy textured variety <i>curvicaule</i> flowers. This plant was best in Class as a seedling at a QOS Spring Show a couple of years ago. PICTURE OF FLOWERS AVAILABLE		
40	S112/06	<i>D speciosum</i> var (<i>curvicaule</i> 'PR' x <i>grandiflorum</i> 'JR')	SOLD	\$250.00

	A	B	C	D
41		I think this clone has the potential to be grand champion of show when it is grown and flowered properly. One of the best intervarietal crosses that we have. (Established in a 300mm pot) PICTURE OF FLOWERS AVAILABLE		
42	No Ref. Number	<i>D speciosum</i> var (<i>speciosum</i> 'National White' x <i>curvicaule</i> 'Daylight Moon') 'Samford Moon'	SOLD	\$250.00
43		An outstanding orchid from two outstanding parents - the picture tells the story. Champion Specimen at the 2009 ANOS (Qld) Kabi Group Spring Show with flower size and flower count down given that it had more than 50 spikes on the plant. As a first flowering seedling the spikes carried 110 flowers and were 600mm+ in length. (Established in a 300mm pot) PICTURE OF FLOWERS AVAILABLE		
44	S199/08	<i>D speciosum</i> var <i>grandiflorum</i>	2	\$145.00
45		Bench quality variety <i>grandiflorum</i> the breeding of which has been lost over time. I suspect it is a selfing of 'QOS 91'. PICTURE OF FLOWERS AVAILABLE		
46	S272/09	<i>D speciosum</i> var <i>speciosum</i> 'Bello'	SOLD	\$145.00
47		One of the better forms of variety <i>speciosum</i> with crystal white broad segmented typical flowers. Should be a must for type-form enthusiasts. PICTURE OF FLOWERS AVAILABLE		
48	S008/05	<i>D speciosum</i> var <i>curvicaule</i>	SOLD	\$95.00
49		Robust form of variety <i>curvicaule</i> producing sprays of pure white, well presented flowers typical of this variety. If you follow the writings of Peter Adams and his 9 varieties of <i>speciosum</i> then this belongs to <i>var boreale</i> and is the tall form. PICTURE OF FLOWERS AVAILABLE		
50	S188/07	<i>D speciosum</i> var <i>curvicaule</i> 'Gloucester'	SOLD	\$195.00
51		This is a plant used extensively by Ted Gregory in his breeding that he obtained from the late Ken McPherson. An extremely robust form of variety <i>curvicaule</i> displaying all the traits of one of the better forms. PICTURE OF FLOWERS AVAILABLE		
52	S059/05	<i>D speciosum</i> var <i>speciosum</i> 'Windermere'	SOLD	\$295.00

	A	B	C	D
53		Original clone used extensively in breeding by most nurseries. This much sought after clone consistently produces beautiful displays of robust broad-segment yellow flowers. PICTURE OF FLOWERS AVAILABLE		
54	S189/07	<i>D speciosum var speciosum</i> 'Grotto'	2+	\$145.00
55		Medium sized canes with good cream sprays. Collected many years ago from the Nowra district of NSW. One of the better wild collections.		
56	S040/05	<i>D speciosum var speciosum</i> 'Dorothy'	SOLD	\$195.00
57		A plant collected by Ted Gregory and used in his breeding program. A very typical robust variety <i>speciosum</i> when flowered properly can hold its own with the best of them. PICTURE OF FLOWERS AVAILABLE		
58	S061/05	<i>D speciosum var speciosum</i> 'Charlie'	SOLD	\$295.00
59		'Charlie' was awarded an AM in the 1990's and still has the reputation of still being one of the best variety <i>speciosum</i> being benched. An oldie but a goodie!! PICTURE OF FLOWERS AVAILABLE		
60	S060/05	<i>D speciosum var speciosum</i> 'Bevan'	SOLD	\$145.00
61		Bevan' is a selfing of 'Dorothy' and produces all the good aspects of a good <i>Den speciosum</i> and has been used extensively in the Cedarvale breeding program. PICTURE OF FLOWERS AVAILABLE		
62	S169/07	<i>D speciosum var curvicaule</i> 'Clarrie'	SOLD	\$110.00
63		A piece of the plant that the late Clarrie Wuth grew into a huge specimen and displayed regularly at shows. Typical bench quality <i>variety curvicaule</i> . PICTURE OF FLOWERS AVAILABLE		
64	S195/08	<i>D speciosum var grandiflorum</i> 'Jelita' (small division - 4 canes) - Established in 175mm pot	SOLD	\$145.00
65		A variety <i>grandiflorum</i> bred by Ted Gregory and named by Bevan Burnham both of whom consider this to be one of the best variety <i>grandiflorum</i> available - and I agree! PICTURE OF FLOWERS AVAILABLE		
66	S209/08	<i>D speciosum var (speciosum 'Goldilocks' x curvicaule 'Daylight Moon')</i>	SOLD	\$245.00
67		'Goldilocks' is a selfing of 'Windermere' and 'Daylight Moon' is the most awarded <i>Den speciosum</i> in Australia - crossing these two has resulted in some exceptional bench quality plants. PICTURE OF FLOWERS AVAILABLE		

	A	B	C	D
68	S081/05	<i>D speciosum var pedunculatum</i> 'Mt Fraser'	SOLD	\$95.00
69		A very good form of this variety good flower count of white/cream chunky flowers. PICTURE OF FLOWERS AVAILABLE		
70	No Ref. Number	<i>D speciosum var speciosum</i> 'Windermere' x self (Whole Plant - 7+ canes)	SOLD	\$50.00
71		Flowering size selfing of a top breeder. Produces large white flowers.		
72	S070/05	<i>D speciosum var capricornicum</i> 'Blackdown Tableland'	SOLD	\$70.00
73		A typical example of the yellow-flowered form from this region. If you follow the writings of Peter Adams and his 9 varieties of <i>speciosum</i> then this belongs to <i>var blackdownense</i> . PICTURE OF FLOWERS AVAILABLE		
74	S071/05	<i>D speciosum var grandiflorum</i> 'Michelle'	SOLD	\$295.00
75		Possibly the grandest of all variety <i>grandiflorums</i> - huge canes, huge flowers, huge spikes. Top show winning, bench quality plant. PICTURE OF FLOWERS AVAILABLE		
76	S179/07	<i>D speciosum var grandiflorum</i> 'Mt Larcom Gold'	SOLD	\$295.00
77		The original clone used extensively in breeding by most good native nurseries. Produces large brilliant gold spikes of flowers in profusion when grown into a sizeable plant. PICTURE OF FLOWERS AVAILABLE		
78	S075/05	<i>D speciosum var curvicaule</i> 'Kabi 2003' - small division - 6 canes	SOLD	\$145.00
79	S075/05	<i>D speciosum var curvicaule</i> 'Kabi 2003' - large division - 11 canes	SOLD	\$295.00
80		This clone was Champion Species at the ANOS (Qld) Kabi Group Spring Show 2003. The plant produces masses of flowers beautifully presented flowers on medium arching spikes. PICTURE OF FLOWERS AVAILABLE		
81	S079/05	<i>D speciosum var capricornicum</i> 'Morrie'	SOLD	\$145.00
82		Possibly one of the nicest white flowered coastal forms of this variety - proven show bench class winner. PICTURE OF FLOWERS AVAILABLE		
83	No Ref. Number	<i>D speciosum var grandiflorum</i> 'Rhonda's Gold'	SOLD	\$145.00

	A	B	C	D
84		I put this in the same category as 'Jelita' - one of the all time best variety <i>grandiflorum</i> available. Bred by Ted Gregory but used 'Larcom Gold' instead of 'Mt Larcom Gold' in conjunction with 'Kroombit Gold'. PICTURE OF FLOWERS AVAILABLE		
85	S181/07	<i>D speciosum</i> var <i>speciosum</i> 'Glennins'	1	\$195.00
86		One of the classical old time <i>Den speciosum</i> that on its day can still hold its own with the of the modern line bred forms. Awarded an AM in the late 1980's/early 1990's. PICTURE OF FLOWERS AVAILABLE		
87	No Ref. Number	<i>D speciosum</i> var <i>capricornicum</i> 'Tully White' (3-cane division)	SOLD	\$75.00
88		Another oldie but a goodie - superb presentation of smallish crystal white flowers on small squat canes. If you follow the writings of Peter Adams and his 9 varieties of <i>speciosum</i> then this belongs to <i>var boreale</i> and is the squat form. PICTURE OF FLOWERS AVAILABLE		
89	No Ref. Number	<i>D speciosum</i> var <i>hillii</i>	1	\$75.00
90		A typical good quality variety <i>hillii</i> displaying all the traits of large flower counts, multiple long sprays on long canes. May not win too many shows but as a specimen they are second to none.		
91	No Ref. Number	<i>D speciosum</i> var <i>curvicaule</i> 'Half Moon'	SOLD	\$295.00
92		This is a cross of 'Jacqueline' and 'Daylight Moon' from the Tony Blewitt stable. This cross produces consistently higher quality progeny than any other cross I have seen. Grown properly there will be many show winners in this batch. This plant is one of these and used extensively in our breeding program and hence it has not made the show bench. PICTURE OF FLOWERS AVAILABLE
